PLN JOINS GAS INDONESIA SUMMIT AND EXHIBITION AS HOST PARTNER

Dear Colleagues Active in the Energy Industry,

Perusahaan Listrik Negara (PLN) PT Persero is proud to support **Gas Indonesia Summit and Exhibition** and are joining this annual event as a host partner.

As *Indonesia's Only Fullstream Natural Gas and LNG Event*, GIS is the premier business platform for connecting energy professionals and fostering collaborative discussions.

GIS takes place on the **31st July - 2nd August 2019** at the Jakarta Convention Centre and will convene 6,000+ exhibition visitors, 500+ business delegates, 70+ speakers and 70+ exhibiting companies over three days.

PLN is positive that GIS will be an important event in the calendar of natural gas and LNG professionals this year and we are committed to actively participate by sending our staff and showcasing our company in the exhibition.

As an important emerging buyer of LNG and Indonesia's leading national power and utility company, PLN feel GIS is the right platform for communicating our strategic company objectives and for connecting with local and international leaders from the energy industry.

By supporting dmgevents, the organisers of Gas Indonesia Summit & Exhibition, PLN look forward to welcoming you to Jakarta and advancing Indonesia's domestic natural gas and LNG industry.
